Milsom Place puts a splash of colour into fashion

Milsom Place in Bath is celebrating the autumn fashion season with two days of in store workshops, makeovers and personal styling on Thursday and Friday October 1 and 2.

Autumn is the busiest time in the fashion calendar but also the time when the new fashions can be almost overwhelming. Here is your chance to find out how to put it all together and accessorise an outfit to suit your own personal style.

Jan Lockett, image consultant from the House of Colour, will be there to help you make sure you look your best all the time or if you have a big occasion coming up help you to look your best for that too.

Jan will be working with Hobbs and other Milsom Place stores to offer advice on what to wear, what suits you, how to make your wardrobe work hard for you and how to choose colour that work with your skin tone and colouring. She will be talking about the autumn fashions and colours for winter as well as matching colours.

Jan says that in a recession you need to make sure you buy wisely. If you work out what colours and styles suit your particular skin tone, eyes and colouring you can buy what is best for you and your personality. You never need have that feeling of opening the wardrobe door and seeing lots of clothes but nothing that makes you feel good. If you end up feeling more confident in the way you look it can change your life.

Colour will be playing a big part in next month's Milsom Place fashion focus days in Bath. You have a chance to win a place on a colour workshop worth £90
